Tuesday while wending her way in the hall leading to the kitchen of the Central Hotel, Martha Robinson, colored, fell down the elevator hatchway on the first floor to the cellar. Her head was cut and body bruised in the fall, but not seriously injured.

Here it is again—the same old story. Yesterday William Long slashed Lee Johnson with a razor nearly severing one of his fingers. Both are colored, the latter working at George Pollitt's livery stable, where the fracas occurred. Long was tried before Judge Whitaker yesterday and decision reserved until today. He is the same fellow that played such a mean trick on Harry L. Walsh several years ago when Barnum & Bailey's Circus showed here and it rained pitchforks. Harry will remember the circumstances.

GILL—MASON.

Mr. Archie B. Gill, aged 28, and Miss Janie C. Mason, aged 21, both of Lewis county, were married yesterday in the County Clerk's office, Judge C. D. Newell officiating.

Miss Willis is the daughter of Mr. John Willis of Springville and is a very popular young lady.

Mr. Buffington is the son of Mrs. Styles, formerly of this city but now of Portsmouth, and well known here.

He is connected with the Prindle Furniture Company.

The happy couple will reside in Portsmouth.

JOHN C. HERNDON.

A telegram was received in this city yesterday conveying the intelligence of the death of Mr. John C. Herndon at Louisville yesterday morning of acute Bright's disease.

His wife, who preceded him to the grave some years ago, was a Miss Dimmitt of Mason county.

He leaves two children, Mr. Lyne Herndon, who married Miss Bradford of Aberdeen, and a daughter, Mrs. Julian of Fayette county.

The deceased had many friends in this city and county who will receive the news of his death with genuine sorrow.

For many years he was connected with the Bradley-Gilbert Company, and was once a candidate for State Treasurer.

He was a genial, kind-hearted man, with a wide circle of friends and acquaintances.

The funeral will take place today. Interment in the Frankfort Cemetery.

Prof. R. Edwin Boggs will give a musical entertainment tonight at the Second M. E. Church, South. He will be remembered as a first-class musician and a delightful entertainer. All are cordially invited.

SOCIAL EVENTS

A gentleman of the Sardis neighborhood will entertain a number of his Maysville friends with a house party the week of August 14th.

Miss Amanda Yerkes of Paris entertained with a dance last week in honor of her guests, Misses Ethel Rice of the county and Rebecca Duke of Mayslick.

Knoxville (Tenn.) Journal.

MISS PRINCE ENTERTAINS.

A very pleasant entertainment was that given by Miss Lena Rose Prince at her home on Asylum avenue Wednesday afternoon from 3 to 6 in honor of Miss Elizabeth Reed of Maysville, Ky., who is the guest of Miss Nora Kehoe. The home was decorated very beautifully for the occasion with cut flowers and ferns. A novel contest was enjoyed in which the pretty young honoree's name was used. The contest cards were in pale blue and white ornamented in different species of birds. Miss Annie Waltz proved most successful and received the favor, which was a beautiful sachet bag, which she graciously presented to the guest of honor. A very delightful musical program was followed by an hour spent in dancing, which was thoroughly enjoyed by all who participated in it. Afterwards delicious refreshments were served in two courses.

All the guests departed declaring Miss Prince a charming young hostess.

Those who were so fortunate as to receive invitations were: Miss Elizabeth Reed of Maysville, Ky.; Misses Nina and Lottie Nicklosen of Birmingham, Ala.; Misses Marguerite Thrasher, Margaret Condon, Annette Brandau, Very Kyle, Bernice Condon, Elsie Young, Anne Waltz, Alice Oma Young, Nora Kehoe, Emily Samuels, Lena Rose Prince.

In accepting a most uniquely illustrated invitation, twenty-four ladies met on Limestone street on Tuesday morning, to be conveyed in a hay wagon to beautiful and hospitable "Sunnyside," the home of Mr. and Mrs. James A. Wallace.

Never did girls of 10 or 14 enjoy a hayride more thoroughly than did these dignified matrons on this occasion, when en route to do honor to Mr. Wallace's mother—Mrs. Thomas Wallace and her guests, Mrs. Elizabeth Wallace of Chicago and Mrs. Susan Weight of Sardis.

The merry jingle of the cow bells, the toot of the ear-splitting horns, the skillful handling of the reins over the backs of three spirited horses by the intrepid Miss Ella Wallace, together with the unusual appearance of ladies on a haywagon in the broiling sunlight, drew admiring crowds from every street, lane and hollow as the jaunters wended their way to Hilltop.

A warm welcome awaited the "city folks" upon their arrival at "Sunnyside," and from that moment, 'til the setting sun warned them that, as there were no electric lights on the Lexington pike, if they expected to reach home "right side up, with care," they must set out before it was too dark to see the steepness of the hill—all that was bright, mirthful, witty and delightful ruled the hour.

Nor was the delightful music rendered by Mr. and Miss Austin the least enjoyable feature of the entire day. Some even said "they enjoyed that more than anything else," but how could a choice be made between that and the dinner and the ride? That the dinner was "a feast fit for the Gods" goes without saying when it is known that the Wallace family superintended the cuisine.

On leaving, one and all wished the hostess "many happy returns" and pronounced it a day of unalloyed pleasure and a hayride hereafter their favorite mode of travel.

Frank Rife, an amateur detective, while hiding in the woods near Gallipolis, O., Monday watching a suspected party, was taken for a ground hog by a hunter and shot through the face, cutting off a portion of his tongue and several teeth. His injuries are not fatal.

Two brothers, Samuel and Arthur Barnett, of Covington, Monday night found the nude body of a boy, 12 or 14 years of age, floating in the river just below Bromley. This is the second body the brothers have taken out of the river in one week, they having discovered the corpse of William Greis of Cincinnati, who was drowned while swimming last Wednesday.

At Versailles yesterday the Fiscal Court, at a called meeting, directed County Attorney W. O. Davis to take immediate action to collect from the indemnity bond companies the amount of the forfeited bonds of the defunct Bluegrass Consolidated Traction Company. The Company forfeited two bonds of \$1,000 and \$5,000, respectively, for failure to comply with the conditions of its franchise.

Last May, Harry Miller and Miss Iva Wainner of Miami, Ind., were to have been married. Miller was in need of money for his wedding expenses and he forged a note in order to raise the desired sum. The officers placed him in Jail, and Saturday he was released. The couple were married at the home of the bride Monday.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

BE the weather ever so hot, the Devil never fails to demand "more copy" from the Editor.

WONDER if Inspector HINES is going to revise the work of Auditor's Agents all over Kentucky? If he does, I'll bet he'll find enough "dirt" to build the traction line from Maysville to Paris.

GOVERNOR BECKHAM has named as party members of the State Election Commission CHARLES R. McDOWELL of Harrodsburg as the member for the Democratic party and A. R. BURNAM of Richmond as the member for the Republican party.

H. F. GREENE, member of the Civil Service Commission, who is in Kentucky looking into irregularities in Federal offices, said to a Courier-Journal reporter in Louisville that it was peculiar that Democrats did not take Civil Service examinations. Not so here; and even some of 'em "get there" without taking the examination.

PADUCAH has developed another Get-Rich-Quick concern, which claims to have made for one client \$12,000 in sixty days on an investment of only \$900. Some Maysville people burned their fingers—and incidentally their money—in a former Paducah scheme, and my advice in regard to the new graft is—Don't! Put your money in a home Building Association or a home Bank, and you will get it when you call for it.

It is officially announced that the war is costing Japan \$1,000,000 a day; which means \$2,000,000 a day for Russia, as she must pay her own bills and Japan's as well.

UNDER the heading, "Some Startling Figures," The Louisville Times directs attention to a problem of utmost importance—

"Figures for the last fiscal year show a total of 1,027,421 aliens brought into the United States as compared with 815,349 in 1904, an increase of more than 25%. Of this increase, Austro-Hungary furnished the largest per cent., that country being credited with the importation of 97,377 more aliens in 1905 than in the preceding year. More than half of the remaining immigration was contributed by Italy and Russia. The fact that less than one-fifth of these immigrants are able to read and write; that their poverty is such as to make them a charge on the charity of immigrants of their respective nationalities that have succeeded in gaining a scant foothold in this country, and that the Governments from which they come are more than glad to get rid of them, unite in making it evident that the United States is being made the dump-heap of the indiscriminate outpouring of the impoverished, illiterate and in no small number of instances criminal classes of Eastern, Southern and South-eastern Europe. This country is undeniably stronger for the German, Irish, Scandinavian and better class of Italian immigration, but the supply of that character of immigration is decreasing, while the worse elements are steadily on the increase. It is possible that many of them may in time be developed into good citizens, but the task of swallowing them whole is one that is likely to overtax the digestive apparatus of the body politic. "Congress could do worse at its next session than make strict inquiry into the question of unrestricted immigration, and the South, even more than Congress, can afford to know the facts before it consents to get rid of the Negro problem by the substitution of the immigration problem."

Political Pickings

THE "HEATHEN" JAPANESE.

Louisville Courier-Journal.

Picking up a menu card of a hotel in Yokohama one sees thereon a music program made up entirely of compositions by Beethoven, Flotow, Haydn, Strauss and Liszt. Which proves that the Japanese know good music and evidently like it, else the hotel management would not make up its program from composers of this grade. This is an improvement on the American taste, which goes in for "ragtime" or such chaste works as "Bedelia," "Smoky Mokes," "The St. Louis Tickle." The more we hear and see of Japan and its people the more we are inclined to the view that in many respects they represent a higher degree of civilization than boastful America and Americans have yet reached.

CONSUMPTION'S WARNING

Inside facts soon become evident in outside symptoms.—DR. G. G. GREEN.

THE aid of scientific inventions is not needed to determine whether your lungs are affected. The first symptoms can be readily noted by anyone of average intelligence.

THERE is no disease known that gives so many plain warnings of its approach as consumption, and no serious disease that can be so quickly reached and checked, if the medicine used is Dr. Boschee's German Syrup, which is made to cure consumption.

IT is in the early stages that German Syrup should be taken, when warnings are given in the cough that won't quit, the congestion of the bronchial tubes and the gradual weakening of the lungs, accompanied by frequent expectoration.

BUT no matter how deep-seated your cough, even if dread consumption has already attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble.

5 TO 1 THE SCORE
Maysville Team Won From Georgetown Yesterday

For the first time in many years an exhibition of real ball playing was given at the East End Park yesterday afternoon in a game between the Reds of this city and a crack team from Georgetown, O.
From the time of call "Play Ball" to the finish there was not a dull moment or a real stupid play in the nine innings.
The visitors did not make a run until the eighth inning, and it was by accident and virtually a gift that they scored then.
Instead of being 5 to 1 in favor of the Reds it should have been a blank for the Georgetown.
It must not be inferred, however, that the Ohio boys are not the real thing; on the contrary, they are cracker-jacks and ball tossers of a high order.
A large crowd was out to witness the game, and the fans were generous and impartial in approval of good plays made by either side.
The game was full of vim and vigor and will be the means of a still larger crowd going out to see the second game this afternoon.
